Hole Diameter:

0.281 inches

Overall Length:

4.750 inches

Overall Width:

0.880 inches

Center To Center Distance Between Bolt Holes Along Length:

3.500 inches

Bolt Hole Quantity:

2

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t651 federal specification single material response

Style Designator:

Non-circular w/square corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
