Nonmetallic Hardness Rating:

65.0 durometer

Overall Length:

Between 2.985 inches and 2.995 inches

Flange Diameter:

Between 1.925 inches and 1.945 inches

Body Diameter:

1.310 inches

Body Length:

0.860 inches

Center Hole Diameter:

Between 0.875 inches and 0.881 inches

Flange Height:

1.270 inches

Design Type:

Single centrally located hole

Body Height Above Flange:

0.860 inches

Material:

Steel and rubber

Style Designator:

Round flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A535j0
