Inside Diameter:

Between 0.400 inches and 0.440 inches

Outside Diameter:

0.750 inches

Material:

Aluminum alloy 5083

Material Specification:

Qq-a-200/4, h112 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
