Hole Diameter:

0.375 inches

Overall Length:

3.260 inches

Overall Width:

3.260 inches

Outside Corner Radius:

0.460 inches

Center To Center Distance Between Bolt Holes Along Width:

2.340 inches

Center To Center Distance Between Bolt Holes Along Length:

2.340 inches

Bolt Hole Quantity:

4

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
