Inside Diameter:

3.062 inches

Outside Diameter:

Between 3.6260 inches and 3.6265 inches

Surface Finish:

63.0 microinches largest outside diameter

Material:

Copper alloy 510

Material Specification:

Qq-b-750, comp a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
