Hole Diameter:

Between 0.128 inches and 0.134 inches

Center To Center Distance Between Bolt Holes Along Length:

1.600 inches

Bolt Hole Quantity:

2

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t81 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
