**Aperture Diameter:**

0.500 inches

**Special Features:**

1 drilled hole 0.199 in. Diameter at the smaller end

**Material:**

Nickel alloy 400

**Material Specification:**

Qq-n-281, cl a federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
