Overall Length:
2.240 inches

Overall Width:
1.080 inches

Material:
Aluminum alloy 5052

Material Specification:
Qq-a-250/8, h32 federal specification single material response

Surface Treatment:
Anodize

Mil-a-8625, type 1 military specification single treatment response

**Surface Treatment Specification:** 

Shelf Life:

N/a

**Unit Of Measure:** 

Demilitarization:

No

Fiig:

A07000

Mil-std (military Standard):

Mil-a-8625 spec.
