Overall Length:

1.854 inches

Overall Width:

2.364 inches

Construction:

One-piece

Special Features:

Color black and white

Material:

Aluminum alloy 1100

Material Specification:

Qq-a-250/1, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
