**Inside Diameter:**

Between 5.230 inches and 5.270 inches

**Outside Diameter:**

Between 6.230 inches and 6.270 inches

**Overall Thickness:**

0.063 inches

**Material:**

Aluminum alloy 5052

**Material Specification:**

415136-3063, h34, texas instruments inc mfr ref single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A07000
