Overall Length:

4.500 inches

Overall Width:

0.500 inches

Special Features:

One hole located 0.380 in. In from left end with 0.380 in. Dia, right end has 2 chamfered corners 15 degree angle 0.250 in. Long from end

Material:

Steel comp 1018

Material Specification:

Aisi assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
