Hole Diameter:

0.213 inches

Outside Diameter:

3.000 inches

Bolt Hole Quantity:

4

Material:

Aluminum alloy 6061

Material Specification:

Ww-t-700/6, t6 federal specification single material response

Specification Data:

96214-2088350 manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
