Inside Diameter:

Between 0.8455 inches and 0.8465 inches

Outside Diameter:

1.375 inches

Overall Thickness:

Between 0.310 inches and 0.316 inches

Material:

Aluminum alloy 2011

Material Specification:

Qq-a-225/3, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
