Inside Diameter:

3.000 inches

Outside Diameter:

Between 3.182 inches and 3.187 inches

Overall Thickness:

0.168 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-225/9, t7351 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
