Bolt Hole Quantity:

3

Lamination Quantity:

11

Lamination Thickness:

0.003 inches

Construction:

Laminated

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Style Designator:

Non-circular w/square corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
