Overall Length:

14.000 inches

Overall Width:

5.500 inches

Outside Corner Radius:

0.250 inches

Special Features:

In. Radius on corners located on one edge along length

Material:

Steel

Material Specification:

A6-829-002558, fscm 12361 mfr ref single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
