Overall Length:
14.000 inches
Overall Width:
5.500 inches
Outside Corner Radius:
0.250 inches
Special Features:
In. Radius on corners located on one edge along length
Material:
Steel
Material Specification:
A6-829-002558, fscm 12361 mfr ref single material response
Style Designator:
Rectangular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A07000
