Hole Diameter:

0.217 inches

Overall Length:

2.913 inches

Overall Width:

2.913 inches

Aperture Diameter:

2.717 inches

Bolt Hole Quantity:

4

Construction:

One-piece

Material:

Steel comp 302

Material Specification:

Bs1449.S25 national specification single material response

Style Designator:

Non-circular w/bolt holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
