Overall Length:

8.500 inches

Overall Width:

3.500 inches

End Application:

Pccn cfaasv; nsn 2350011104660

Skewed Angle:

0.25 radians

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
