Inside Diameter:

3.312 inches

Outside Diameter:

Between 3.653 inches and 3.655 inches

Overall Thickness:

Between 0.124 inches and 0.126 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
