Overall Length:

1.320 inches

Overall Width:

0.465 inches

Bolt Hole Quantity:

4

Construction:

One-piece

Hardness Rating:

Between 38.0 rockwell c and 43.0 rockwell c

Material:

Steel comp 301

Material Specification:

Ams 5519 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
