Overall Length:

4.750 inches

Overall Width:

0.800 inches

Bolt Hole Quantity:

3

End Application:

Center wing flap

Special Features:

Holes irregularly spaced

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-355, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
