End Application:

1560-00-788-3941 and 1560-00-790-6873, ring assembly

Functional Description:

Spacer ring, variable bellmouth

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t3 federal specification single material response

Type/model Designation:

F-4e/gy/

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
