Overall Length:

6.000 inches

Overall Width:

1.120 inches

Special Features:

Two outside corners radii 0.500 in.; two slots along length having 0.440 in. Wide

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
