**Overall Length:**

6.000 inches

**Overall Width:**

1.120 inches

**Special Features:**

Two outside corners radii 0.500 in.; two slots along length having 0.440 in. Wide

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11, t6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
