Overall Length:
6.000 inches
Overall Width:
1.120 inches
Special Features:
Two outside corners radii 0.500 in.; two slots along length having 0.440 in. Wide
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-250/11, t6 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A07000
