Bolt Hole Quantity:

9

Special Features:

Shaped; holes are unequally spaced; 1 threaded hole 4-40 unc-2b; 1 cut-out on 1 end along the lg

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
