Overall Length:

1.860 inches

Overall Width:

1.350 inches

End Application:

Panel-surge tank, outer wing

Construction:

Laminated

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8, h39 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
