Overall Length:

4.000 inches

Overall Width:

2.660 inches

Bolt Hole Quantity:

8

End Application:

Wing, torque box, outbd

Construction:

Laminated

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8, h39 federal specification single material response

Style Designator:

Non-circular w/bolt holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
