**Hole Diameter:**

0.250 inches

**Overall Length:**

2.200 inches

**Overall Width:**

0.440 inches

**Bolt Hole Quantity:**

3

**End Application:**

Wing-torque box, outbd

**Special Features:**

2 corners diagonal of each other are beveled

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5, t81 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A07000
