Hole Diameter:

0.250 inches

Overall Length:

1.690 inches

Overall Width:

0.440 inches

Bolt Hole Quantity:

2

End Application:

Wing-torque box, outbd

Special Features:

Diagonal corners beveled

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t81 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
