Overall Length:

4.760 inches

Overall Width:

0.830 inches

Bolt Hole Quantity:

4

End Application:

Wing, torque box, outbd

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t81 federal specification single material response

Style Designator:

Non-circular w/square corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
