Overall Length:

1.900 inches

Overall Width:

0.640 inches

Bolt Hole Quantity:

3

End Application:

Rib, outer wing, te

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t81 federal specification single material response

Style Designator:

Non-circular w/square corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
