Overall Length:
2.540 inches
Overall Width:
0.640 inches
Bolt Hole Quantity:
4
End Application:
Rib, outer wing, te
Material:
Aluminum alloy 2024
Material Specification:
Qq-a-250/4, t81 federal specification single material response
Style Designator:
Non-circular w/square corners
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A07000
