Overall Length:

1.930 inches

Bolt Hole Quantity:

2

End Application:

Cover, access-aileron actr, wg, te, outbd

Special Features:

1 end, thk edge has 0.310 radius

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362, t3 federal specification single material response

Style Designator:

Non-circular w/square corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
