Overall Length:

2.180 inches

End Application:

Cover, access aileron actr, wg, te, outbd

Special Features:

1 end thk is beveled to 0.100 in

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
