Cross-sectional Height:

0.050 inches

Minor Height:

0.024 inches

End Application:

Vert. Stabilizer p/n 68a230000

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A07000
