**Cross-sectional Height:**

0.169 inches

**Minor Height:**

0.123 inches

**End Application:**

Wing, outbd trailing edge

**Special Features:**

Tapered diagonally

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/4, t81 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
