Overall Length:

3.480 inches

Overall Width:

1.190 inches

Bolt Hole Quantity:

2

End Application:

Wing, torque box, outbd

Construction:

Laminated

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8, h39 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
