Hole Diameter:

0.286 inches

Overall Width:

0.416 inches

Center To Center Distance Between Bolt Holes Along Length:

0.750 inches

Bolt Hole Quantity:

5

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362, t3 federal specification single material response

Style Designator:

Non-circular w/square corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
