Overall Length:

22.700 inches

Overall Width:

0.810 inches

Bolt Hole Quantity:

19

End Application:

Vert. Stabilizer fwd box

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t81 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
