Overall Length:
1.300 inches
Overall Width:
1.000 inches
Overall Thickness:
0.190 inches
End Application:
Vertical stabilizer fwd box
Material:
Aluminum alloy 2024
Material Specification:
Qq-a-250/4, t81 federal specification single material response
Style Designator:
Rectangular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A07000
