Overall Length:

2.200 inches

Overall Width:

1.320 inches

End Application:

Panel-surge tank, outer wing

Construction:

Laminated

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 h39 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
