Overall Length:

4.385 inches

Overall Width:

1.800 inches

End Application:

Panel-surge tank outer wing

Special Features:

Irregular shape

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t8 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
