Overall Length:

1.110 inches

Overall Width:

0.440 inches

End Application:

Wing-outbd trailing edge

Special Features:

One lgth edge beveled 0.120 in. X 0.280 in.

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t81 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
