Hole Diameter:

0.265 inches

Aperture Diameter:

1.641 inches

Bolt Hole Quantity:

2

Special Features:

Bolt holes are countersunk 82 degrees to 0.526 in. Diameter

Material:

Copper alloy 642

Material Specification:

Qq-c-465 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
