Inside Diameter:

Between 4.345 inches and 4.355 inches

Outside Diameter:

Between 4.495 inches and 4.499 inches

Overall Thickness:

Between 0.198 inches and 0.200 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
