Inside Diameter:

0.832 inches

Outside Diameter:

Between 0.9554 inches and 0.9564 inches

Overall Thickness:

Between 0.118 inches and 0.119 inches

Special Features:

Split through 0.015 in. Gap

Material:

Steel comp 416

Material Specification:

Astm a582 assn standard single material response

Fsc Application Data:

Combat talon ii

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
