Inside Diameter:

Between 0.272 inches and 0.297 inches

Outside Diameter:

0.375 inches

Overall Thickness:

0.078 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
