Hole Diameter:

Between 0.218 inches and 0.224 inches

Overall Length:

Between 3.005 inches and 3.045 inches

Overall Width:

0.468 inches

Bolt Hole Quantity:

2

Construction:

One-piece

Special Features:

Half moon shaped; larger hole 0.250 in. Dia

Material:

Steel comp 302

Material Specification:

Qq-s-766 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
